My family's membership in the Smithtown Historical Society has proved invaluable since moving to Smithtown over a year ago. Supporting the history of the town by attending a diverse offering of events has been educational and socially rewarding. I honestly believe that volunteering to feed the farm animals each week will be one of the fondest memories of my boys childhood. We're looking forward to many years of fun with a generous and friendly group that's made such an impact on our community while keeping it's past so well-preserved.
