

Farm Clean Up

239 Middle Country Rd. Smithtown, NY | 631.265.6768 | Smithtownhistorical.org

SMITHTOWN
Historical Society

Saturday, April 6th | 10 am

Join us down on the farm as we spend the morning sprucing up the fields and paddocks that our animals call home. We will be clearing vines, dead wood and other natural debris to give the animals more, and safer space to roam. We will have some supplies, but you should bring your own gloves, small and large clippers etc. Adults and supervised children welcome.

Great community service project!
