Dear Friends,

Spring has sprung and with it so has our planning of our annual Spring Farm Festival! Based on our history as a working farm, this festival is a family-friendly affair complete with children's crafts and activities, historical demonstrations such as blacksmithing and spinning cloth, and food and craft vendors selling local home-made treats.

Events like the Spring Farm Festival allow us to open our campus, including several historical buildings, to the public. Our mission of preserving, restoring, and interpreting Long Island's unique heritage could not continue without support from generous people such as yourself.

Please find enclosed a copy of this year's sponsorship form; we would love to have your support for this year's Spring Farm Festival. As the Smithtown Historical Society is a non-profit organization, your contribution would be tax deductible to the extent allowed by law. No goods or services are provided in exchange for your generous financial donation.

Thank you for your continued support of the Smithtown Historical Society!

Sincerely,

Priya Kapoor
Executive Director
