July 29, 2024

Greetings,

Here at the Smithtown Historical Society, we are working hard at planning our annual Heritage Country Fair, which will be held on Sunday, September 15th, 2024. This celebration of our shared American heritage takes place on the Society's idyllic twenty-two acres of preserved land, located within the Village of the Branch Historic District.

The Smithtown Historical Society offers original programs and events all year long as well as maintaining several historic buildings and a working farm. These programs and the preservation of our historic site rely on support from folks like you. The Heritage Country Fair is our largest family event of the year, and a longtime community favorite. While your favorite classics will be back, we strive to make each fair unique, one where your family can enjoy the day together. (Please scan the Q-R code to learn more about this year's Fair.)

Your donations allow us to provide educational and enjoyable programs at a low cost to our community, allowing more people to discover one of Long Island's treasures. Our sponsorship levels also provide marketing opportunities for your business while giving back to our shared community. **For more details about the various sponsor levels and their associated benefits, please look at the sponsorship form at the back of this letter. Your donation is also tax-deductible to the extent of the law.**

Thank you again for your support - let's make this year's Heritage Country Fair the landmark Fall Festival on Long Island!

Sincerely,

Priya Kapoor
Executive Director & Director of Development & PR
